

## Sewer Access Map 2018

## DISCLAIMER:

The City of McPherson prepared this map and related information from its best available information which does not include detailed on-site inspections. However, the City, its employees, officials and agents do NOT warrant or guarantee the accuracy of this information. Property may be included that should not be included and/or property may not be included that should be included. In addition, the functioning of any particular sewer line may not be determined by whether it is a common or informal sewer line as defined in City code. Any interested party must conduct their own investigation to determine the construction and suitability of a particular sewer line. If errors are determined in this information, please contact City staff.
