### **PRESS RELEASE**

July 22, 2020

### **Street Construction – Mill and Overlay**

McPherson – The City of McPherson and APAC will begin construction on Walnut St., Northview, Oak Park Dr., and Sixth St. starting tomorrow July 23, 2020. Hulse St., a section of Avenue A, and North Front St. will follow.

The streets will be milled down, patchwork completed, and an asphalt overlay will be placed on the streets. These streets will be closed, at times, during this milling and surfacing period. We ask that during construction do not park on the street. Park off street only (in driveways) and please have vehicles, trailers, etc. moved off the designated street prior to July 23, 2020.

This project will be completed by August 19, weather permitting.

Attached is a map of the street sections that will be under construction. If you have questions please reach out to Public Works at (620) 245-2545.
