### **PRESS RELEASE**

April 20, 2021

### **East Lakeside Drive**

McPherson – McPherson County Public Works along with the City of McPherson, will be performing street construction on East Lakeside Drive. This project will start on April 21, 2021, weather permitting. McPherson County will be grinding up the existing asphalt surfacing and the City Street Crews will grade and pack the roadway. This fall, a 3" asphalt overlay will be placed on East Lakeside Drive from Kansas Avenue to Euclid Street. East Lakeside Drive will be closed, at times, during this milling and surfacing period. The first phase should be completed in approximately one week.

During construction DO NOT park on the street. There will be limited access, at times, for any off street parking and parking in drive ways. Please have vehicles, trailers, etc. moved off the designated street during construction.

The goal is to complete this project in a prompt and professional manner. If you have any questions or concerns, please call the City Engineering Department at (620) 245-2545.

Thank you for your assistance and patience in this effort!
