PRESS RELEASE

November 23, 2021

Avenue A Closure Delayed

Due to an engineering error on the job Middle Creek Corp. is currently on, the company has to delay scheduled work on the Oak alley sewer project. This postponement will cause a delay in the scheduled closure of Avenue A in McPherson, Kan.

Avenue A (between Oak Street and Elm Street) is now scheduled to be closed to thru traffic beginning Nov. 29 or 30, 2021. The closure is scheduled to aid the completion of the Oak alley sewer project.

The closure is expected to last approximately 10 days, but is dependent on weather. No official detour will be marked.

The project was awarded to Middle Creek out of Peabody, Kan., in the amount of \$213,942.

Questions or concerns can be directed to the City of McPherson Public Works Department at 620-245-2545 weekdays between the hours of 8 a.m. and 5 p.m.
