### PRESS RELEASE

September 21, 2022

## Water draining in Lakeside Park

McPHERSON — Beginning Tuesday, Sept. 27, 2022, the City of McPherson will be draining the waterway in Lakeside Park in order to install new drainage ports.

At this time, the McPherson City Commission has made no decision regarding the potential retaining wall repairs in the area. However, the draining now will allow for port construction that will aid the process if it is needed in the future, regardless of what decision is made.

Questions or concerns can be directed to the Public Works Department at 620-245-2545 Monday through Friday from 8 a.m. to 5 p.m.
