From: Wayne Burns, Director of Public Lands and Facilities

Re: City of McPherson Christmas tree disposal

From December 25 to January 15, we invite the community to come together to dispose of real Christmas trees. You can drop off your tree in the designated area of the McPherson Water Park parking lot at Lakeside Park.

The trees will be chipped every Friday, and the public will be able to take free mulch from the piles located in the southeast corner of the Water Park parking lot.

Please remember that all trees must be free of decorations and plastic bags before being placed in the designated bin.

For more information about Christmas tree disposal, please contact the Park Department at 245-2565.
