PRESS RELEASE

August 5, 2025

Pickleball lights now manually controlled

McPHERSON — The McPherson Public Lands & Facilities Department made a small, but meaningful, change to the pickleball court complex in Challenger Park.

The automatic light controls have been replaced by a manual switch for those hoping to play into the evening.

Those wishing to do so are asked to shut the lights down when leaving to conserve energy and keep the facility running efficiently. Lights will need to be shut down by 11:55 p.m. nightly.

The switch is located on the southeast corner of the courts.

Those with questions or in need of assistance are encouraged to call the PLF Department at 620-245-2565.
