### PRESS RELEASE

May 19, 2021

## Bull Creek Drainage Study

McPherson – A public meeting will be held on June 9, 2021 starting at 6:30 PM to discuss drainage issues for the Bull Creek Watershed. The meeting will be held at the Municipal Center Commission Room located at 400 E Kansas Ave.

The City of McPherson contracted with Alfred Benesch & Company, who is conducting a drainage study of the Bull Creek Watershed. The purpose and focus of the public meeting will be to discuss drainage issues within the Bull Creek basin. We encourage all residents, regardless of where they live, to attend. Drainage issues may affect where you work, drive, etc. Please see attached map for reference.

Citizens are invited to complete the drainage questionnaire at [mcpccity.com](http://mcpccity.com). Click on "Public Works" under the "News & Announcements" section of the home page. Then click on "Drainage Questionnaire."

For questions, comments, or concerns please reach out to the Public Works department at (620) 245-2545.
