Department Accomplishments

Rescue 1 placed in service

Ordered 2 – 600 gallon brush trucks to replace Engine 2

Ordered 2000 gpm Pierce Engine to replace Engine 3

Engine 3 to remain in service as a reserve apparatus

Changed records management software from ESO to First Due

New software is occupancy / map based providing more opportunity for better preplanning and usage during incident response

Changed learning management software from Vector Solutions to Fire Engineering Training

○

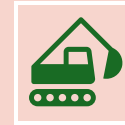

+

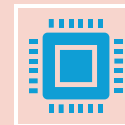

Department Accomplishments

Career positions fully staffed – have vacant paid call positions

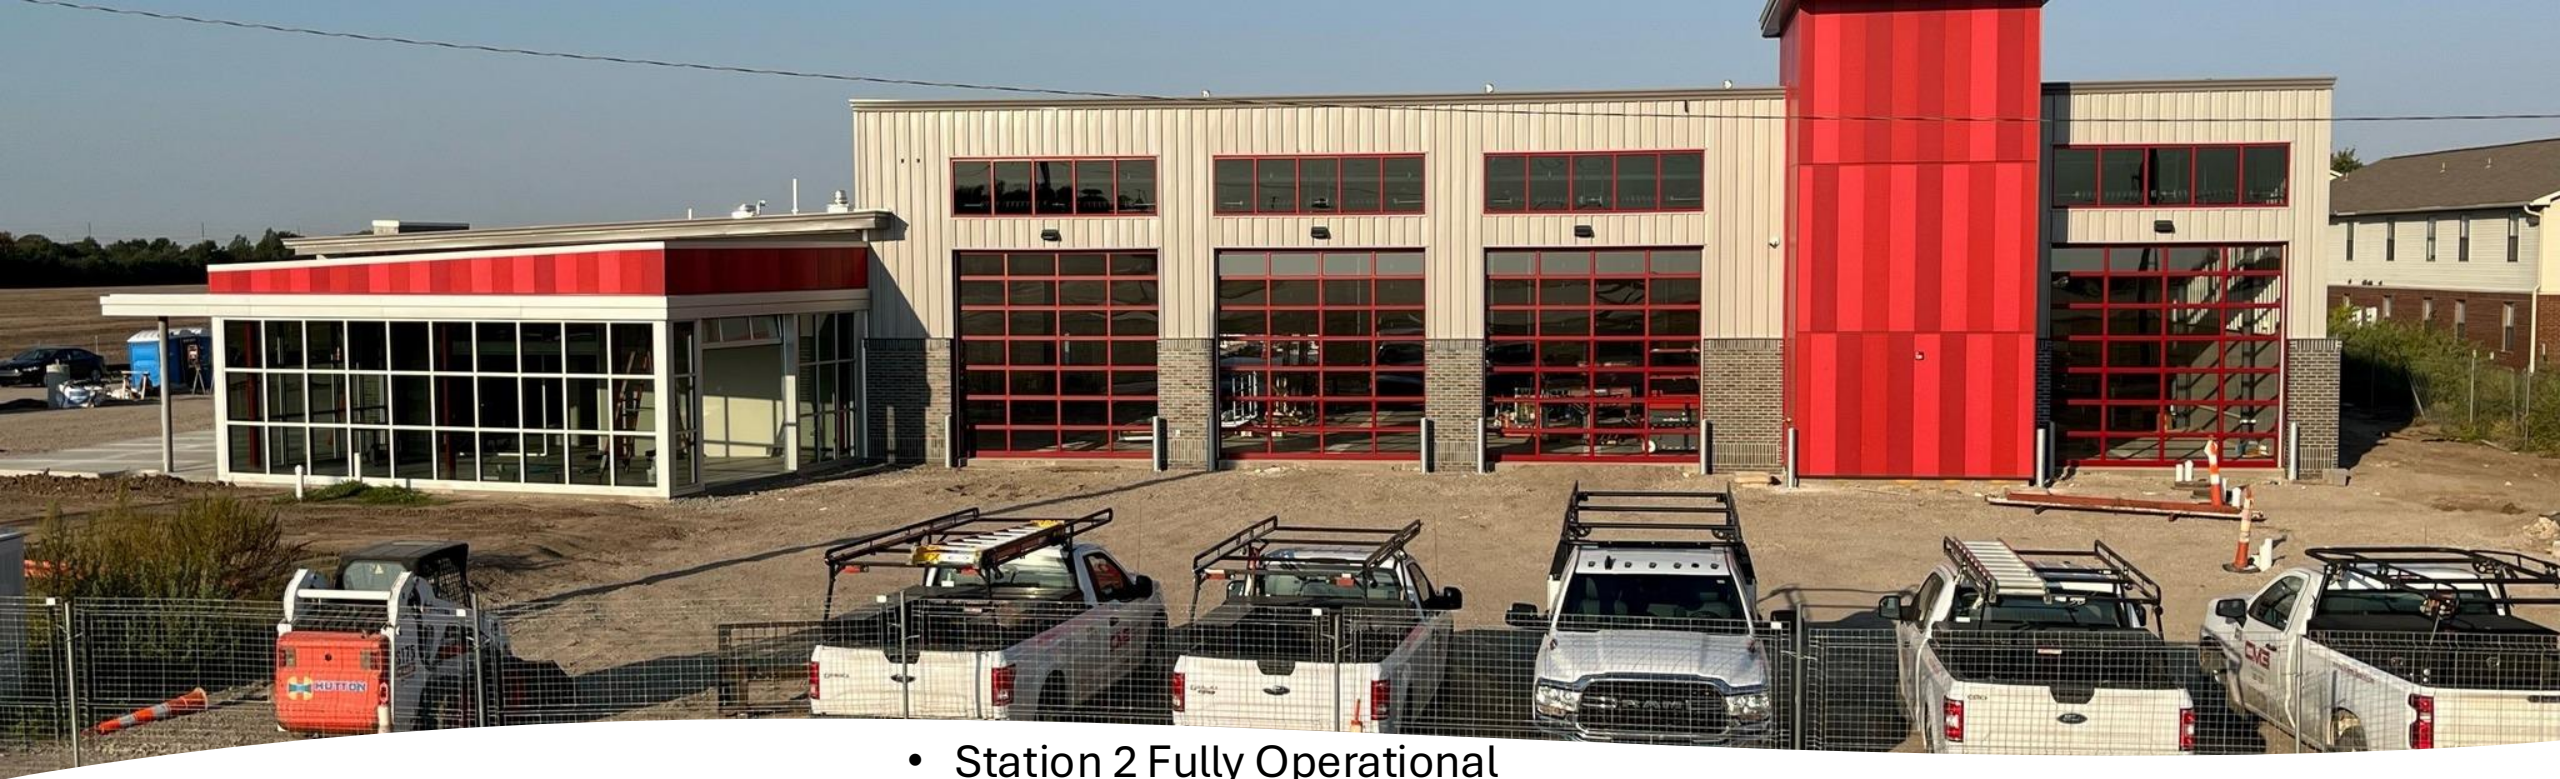

Increased contributions to equipment fund for future apparatus replacement

Began refurbishment of station one with new flooring in first floor hallways and restrooms

Increased public outreach through more frequent social media posts

2025 Goals

- Station 2 Fully Operational
- 2 new brush trucks in service
- Revitalized preplanning efforts
- Revitalized commercial inspection process
 - Educational focused
- Transition from NFIRS to NERIS reporting
- Strive to get a little bit better everyday
