## INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and City Commission  
McPherson, Kansas 67460

### ***Adverse and Unmodified Opinions***

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the City of McPherson, Kansas (City), a Municipal Financial Reporting Entity, as of and for the year ended December 31, 2024 and the related notes to the financial statement.

#### *Adverse Opinion on U.S. Generally Accepted Accounting Principles*

In our opinion, because of the significance of the matter discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City as of December 31, 2024, or changes in financial position and cash flows thereof for the year then ended.

#### *Unmodified Opinion on Regulatory Basis of Accounting*

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City as of December 31, 2024, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

#### ***Basis for Adverse and Unmodified Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the *Kansas Municipal Audit and Accounting Guide*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

#### *Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles*

As discussed in Note 1 of the financial statement, the financial statement is prepared by the City on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

### **Responsibilities of Management for the Financial Statement**

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### **Auditor's Responsibilities for the Audit of the Financial Statement**

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts, expenditures-actual and budget, schedule of regulatory basis receipts and disbursements-agency funds, and the schedule of expenditures of federal awards (Schedules 1, 2, 3, and 4 as listed in the table of contents) are presented for purposes of additional analysis and are not a required part of the basic financial statement. However the Schedules 1, 2, and 3 are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. All supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional

procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of City of McPherson, Kansas as of and for the year ended December 31, 2023 (not presented herein), and have issued their report thereon dated June 7, 2024, which contained an unmodified opinion on the basic financial statement. The 2023 basic financial statement and their accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link <https://admin.ks.gov/offices/oar/municipalservices>. The 2023 actual column (2023 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures—actual and budget for the year ended December 31, 2024 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement. Such 2023 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2023 basic financial statement. The 2023 comparative information was subjected to the auditing procedures applied in the audit of the 2023 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2023 basic financial statement or to the 2023 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2023 comparative information is fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended December 31, 2023, on the basis of accounting described in Note 1.

## NOTES TO FINANCIAL STATEMENT

### For the Year Ended December 31, 2024

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### *(a) Municipal Financial Reporting Entity*

The City of McPherson, Kansas (the City) is a municipal corporation governed by an elected three-member commission. The financial statement presents the City of McPherson (a municipal financial reporting entity) and its related municipal entities. The Board of Public Utilities of McPherson, Kansas (the BPU) consists of the municipal electric and water utilities that provide services to approximately 8,900 electric and 6,000 water customers. The BPU's operational control and administration is under a three-member appointed Board of Directors. However, the BPU is owned by and is a part of the municipality of the City because the City holds the corporate powers of the BPU. The BPU is considered an administrative agency of the City by statute. The City has the following related municipal entity shown on Schedule 3.

Library Board. The City of McPherson Library Board operates the City's public library. Acquisition or disposition of real property by the Library Board must be approved by the City. Bond issuances must also be approved by the City. Complete financial records for the Library Board may be reviewed at the administrative offices of the entity at 214 W. Marlin, McPherson, Kansas, 67460.

The City also has a related municipal entity as follows shown on Schedule 2 as a Special Purpose Fund.

McPherson Landfill Improvement Corporation. The City of McPherson owns a former landfill site south of McPherson. Complete financial records for the McPherson Landfill Improvement Corporation may be reviewed at the administrative offices of the entity at 400 E. Kansas, McPherson, Kansas, 67460.

##### *(b) Regulatory Basis Fund Types*

**General Fund** – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

**Special Purpose Fund** – used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

**Bond and Interest Fund** – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

**Capital Project Fund** – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

**Business Fund** – funds financed in whole or in part by fees charged to users of the goods or services (i.e. enterprise and internal service fund, etc.).

**Trust Fund** – funds used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipal reporting entity, scholarship funds, etc.).

**Agency Fund** – funds used to report assets held by the municipal reporting entity in a purely custodial capacity (i.e. payroll clearing fund, county treasurer tax collection accounts, etc.).

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

### (c) Basis of Accounting

*Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America.* The *Kansas Municipal Audit and Accounting Guide (KMAAG)* regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The City has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for the application of generally accepted accounting principles and allowing the City to use the regulatory basis of accounting.

### (d) Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the General Fund, Special Purpose Funds (unless specifically exempted by statute), Bond and Interest Funds and Business Funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- 1) Preparation of the budget for the succeeding calendar year on or before August 1st.
- 2) Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- 3) Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- 4) Adoption of the final budget on or before August 25th.

If the municipality is holding a revenue neutral rate hearing, the budget timeline for the public hearing is adjusted to no sooner than August 20th and no later than September 20th, but at least ten days after all statutory notification and publication requirements have been met. Municipal budgets requiring a hearing to exceed the revenue neutral rate should be adopted on or before October 1st but may not be adopted prior to the revenue neutral rate hearing. The municipality did hold a revenue neutral rate hearing for this year.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the governing body may amend the budget at that time. There were budget amendments for the year 2024.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison statements are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for Capital Project Funds, Agency Funds, Trust Funds and certain Special Purpose Funds and the Related Municipal Entity as noted in the presentation of the appropriate Schedule 2.

Spending in funds which are not subject to the legal annual operating budget requirement are controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

## 2. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

### ***Compliance with Kansas Statutes***

No statute violations were noted during 2024.

## 3. DEPOSITS AND INVESTMENTS

As of December 31, 2024, the City had the following investments:

Investment Type	Fair Value	Investment Maturities (in Years)				Rating
		Less than 1	1-5	6-10	More than 10	
Kansas Municipal Investment Pool	\$ 6,662,424	\$ 6,662,424	\$ -	\$ -	\$ -	S&P AAAF/SLT

K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has an investment policy that does not further limit its investment choices.

*Concentration of credit risk.* State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. The City's allocation of investments as of December 31, 2024, is as follows:

Investments	Percentage of Investments
Kansas Municipal Investment Pool	100%

*Custodial credit risk – deposits.* Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka. All deposits were legally secured by December 31, 2024.

At December 31, 2024, the City's and Library's carrying amount of deposits was \$25,664,942 and the bank balance was \$25,374,917. The bank balance was held by three banks resulting in a concentration of credit risk. Of the bank balance, \$1,250,000 was covered by federal depository insurance and \$21,457,006 was collateralized with securities held by the pledging financial institutions' agents in the City's name.

*Custodial credit risk – investments.* For an investment, this is the risk that in the event of the failure of the issuer or counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

At December 31, 2024, the City had invested \$6,662,424 in the State's municipal investment pool. The municipal investment pool is under the oversight of the Pooled Money Investment Board. The board is comprised of the State Treasurer and four additional members appointed by the State Governor. The board reports annually to the Kansas legislature. State pooled monies may be invested in direct obligations of, or obligations that are insured as to principal and interest, by the U.S. government or any agency thereof, with maturities up to four years. No more than ten percent of those funds may be invested in mortgage-backed securities. In addition, the State pool may invest in repurchase agreements with Kansas banks or with primary government securities dealers.

#### 4. LONG-TERM DEBT

Changes in long-term liabilities for the City for the year ended December 31, 2024 were as follows:

Issue	Interest Issue	Date of Issue	Amount of Issue	Original Date of Final Maturity	Balance Beginning of Year	Additions	Reductions of Principal	Balance End of Year	Interest Paid
<b>General Obligation Bonds:</b>									
Series 137 of 2015	2.00% to 3.00%	7/22/15	3,750,000	7/1/25	\$ 300,000	\$ -	\$ 145,000	\$ 155,000	\$ 9,000

<b>Total Contractual Indebtedness</b>					<u>\$ 45,524,220</u>	<u>\$ 4,497,704</u>	<u>\$ 3,479,427</u>	<u>\$ 46,542,497</u>	<u>\$ 1,202,382</u>

#### **Continuing Disclosure Requirements**

The City of McPherson as Issuer and Dissemination Agent, posted the prior year Annual Audit Report to EMMA (Electronic Municipal Market Access) on a timely basis (a requirement of no later than 210 days after the year-end) as reflected in the continuing disclosure instruction of the City's bond documents. The 2024 Annual Audit Report was posted to EMMA on July 25, 2024.

#### **Arbitrage Calculations**

Based on the opinion letters from Gilmore & Bell, P.C. of Kansas City, MO, the City of McPherson, as Issuer, is in compliance with the arbitrage rebate calculations pursuant to Code Section 148(f) of the Internal Revenue Code of 1986 as amended.

#### 4. LONG-TERM DEBT (CONT.)

Current maturities of long-term debt and interest for the next five years and in five year increments through maturity are as follows:

	2025	2026	2027	2028	2029	2030-2034	2035-2039	2040-2044	2045-2049	2050-2052	Total

## 5. PENSION COSTS AND EMPLOYEE BENEFITS

### (a) *Defined Benefit Pension Plan*

**Plan Description.** The City and the BPU participate in the Kansas Public Employees Retirement System (KPERS) and the Kansas Police and Firemen's Retirement System (KP&F). Both are part of a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS and KP&F issue a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at [www.kpers.org](http://www.kpers.org) or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

**Contributions.** K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. K.S.A. 74-4975 establishes KP&F member-employee contribution rate at 7.15% of covered salary. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1 and KPERS 2 and KPERS 3 and KP&F be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 9.26% for KPERS and 23.10% for KP&F for the fiscal year ended December 31, 2024. Contributions to the pension plan from the City and BPU were \$1,053,536 for KPERS and \$848,062 for KP&F (Library was \$44,065) for the year ended December 31, 2024.

**Net Pension Liability.** At December 31, 2024, the City and BPU's proportionate share of the collective net pension liability reported by KPERS was \$10,136,611 and \$7,549,429 for KP&F (Library was \$439,057). The net pension liability was measured as of June 30, 2024, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2023, which was rolled forward to June 30, 2024. The City and BPU's proportion of the net pension liability was based on the ratio of the City and BPU's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at [www.kpers.org](http://www.kpers.org) or can be obtained as described above.

### (b) *Death and Disability Other Post Employment Benefits*

K.S.A. 74-4927, disabled members in Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2024.

### (c) *Deferred Compensation Plan*

The City offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan is available to all employees who qualify under the plan terms, and permits employees to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency.

## 5. PENSION COSTS AND EMPLOYEE BENEFITS (CONT.)

### (d) *Other Employee Benefits*

Vacation - Vacation leave shall be accrued from the employee's date of employment as stipulated hereinafter. If not taken, vacation leave shall accrue from year to year up to the maximum provided depending upon the employee's years of service. No vacation leave shall be taken until a new employee has completed the evaluation period.

Each permanent full-time employee will accrue vacation leave as follows:

<u>Years of Service</u>	<u>Hours Accrued</u>	<u>Maximum Accumulation</u>
<u>Per Year</u>		
0 to 5 years	80 working hours	120 working hours
5 to 10 years	120 working hours	180 working hours
10 to 15 years	144 working hours	216 working hours
15 to 20 years	160 working hours	240 working hours
After 20 years	200 working hours	300 working hours

An employee shall be paid for all accumulated unused vacation leave upon termination.

Sick leave – All full and part-time employees shall be entitled to sick leave with pay for absences resulting from personal illness, injuries, accidents or other physical incapacities, occurring either on or off the job. Full-time employees shall earn one working day of sick leave for each full month of service. Part-time employees shall receive the equivalent of a regularly scheduled day for each full month of service. Other employees shall not have paid sick leave. An employee beginning work on or before the 15th of the month shall get credit for a full month. On termination of employment an employee shall not be paid for accumulated sick leave. Accordingly, no disclosure for accumulated sick leave has been made in the accompanying financial statement.

### (e) *Other Post Employment Benefits*

As provided by K.S.A. 12-5040, the City allows retirees to participate in the group health insurance plan until they reach 65 years of age. While each retiree pays the full amount of the applicable premium, conceptually, the City is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the government makes health care benefits available to eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the government under this program.

## 6. SELF-INSURANCE PROGRAM

The City is responsible for a potential liability up to \$100,000 per individual per year for health care claims. This plan had fixed costs of \$138,322. Management believes claims incurred, but not reported, are insignificant at December 31, 2024. Starting December 31, 2007, the City chose to not self-insure for workers' compensation. Changes in health insurance claims liability for 2024 and 2023 were as follows:

	<u>2024</u>	<u>2023</u>
Beginning Balance	\$ 100,000	\$ 100,000
Additions	2,855,072	2,020,012
Payments	(2,855,072)	(2,020,012)
Ending Balance	<u>\$ 100,000</u>	<u>\$ 100,000</u>

## **7. SUMMARY DISCLOSURE OF SIGNIFICANT CONTINGENCIES**

The McPherson Area Solid Waste Utility (the Utility), of which the City of McPherson is a member, is subject to the U.S. Environmental Protection Agency rule "Solid Waste Disposal Facility Criteria" which establishes closure requirements for all municipal solid waste landfills that receive solid waste after October 9, 1991. The Utility is responsible for operating and other costs including postclosure costs while it is in existence. Any possible contributions by Utility members required to fund postclosure requirements is not determinable at this time.

The City is subject to various laws and regulations with respect to environmental matters such as air and water quality. The effect of any future changes in environmental laws and/or regulations cannot be estimated. However, compliance with such changes may necessitate substantial expenditures.

## **8. CLAIMS AND JUDGMENTS**

The City participates in federal, state and county programs that are fully or partially funded by grants received from other governmental units. Expenditures financed by grants are subject to audit by the appropriate grantor government. If expenditures are disallowed due to noncompliance with grant program regulations, the City may be required to reimburse the grantor government. As of the date of this report, grant expenditures have not been audited, but the City believes that disallowed expenditures, if any, based on subsequent audits will not have a material effect on any of the individual governmental funds or the overall financial position of the City.

The City is exposed to various risks of loss related to property loss; torts; theft of, damage to, and destruction of assets; errors and omissions; employee injuries and natural disasters. The City has purchased commercial insurance for these potential risks. There have been no significant reductions in insurance coverage from 2023 to 2024 and there were no settlements that exceeded insurance coverage in the past three years.

During the ordinary course of its operations the City is exposed to various claims, legal actions and complaints. It is of the opinion of the City's management and legal counsel that these matters are not anticipated to have a material impact on the City. There were no liability insurance settlements during 2024. There are no pending matters as of December 31, 2024.

## **9. LANDFILL CLOSURE AND POSTCLOSURE CARE COST**

The City of McPherson and the Kansas Department of Health and Environment (KDHE) entered into a voluntary settlement agreement as of November 6, 1992. The settlement agreement concerns the preparation of a remedial investigation and feasibility study, and participation in good faith negotiations for remedial activities, if required, to be determined following opportunity for public involvement for an area known as the "McPherson City Landfill" located near McPherson, Kansas.

In entering into this settlement agreement, the KDHE and the City of McPherson were going to determine the nature and extent of contamination and any threat to the public health, welfare or the environment caused by the release or threatened release of hazardous substances, pollutants or contaminants at or from the McPherson City Landfill. Once these determinations were made the City of McPherson submitted a work plan for Phase I activities. They were also required to submit plans for Phase II, III and IV, which dealt with closure and postclosure activities. As of July 29, 2005, the City of McPherson had performed entirely the closure activities of the settlement agreement at a total cost of approximately \$424,000. Postclosure expenditures are estimated to be approximately \$450,000 spread over a twenty-year period.

## 10. CAPITAL LEASE – RECREATION COMPLEX

During the year ended December 31, 1996, the City entered into a Lease Purchase Agreement with Security Bank of Kansas City, as lessor, providing for the acquisition and construction of an outdoor recreational complex (the "Project") to be operated and maintained by the McPherson Recreation Commission (the "Commission"). Funds for acquisition and construction were raised by the lessor by the issuance of Certificates of Participation in the Lease Purchase Agreement in the amount of \$1,000,000. As part of this financing structure, the bank, acting as lessor and trustee for the owners of the Certificates of Participation, paid the purchase price for the site for the Project, which was deeded to the City. The City then leased the site to the bank under a Site Lease, and leased it and the improvements constructed back from the bank under the Lease Purchase Agreement. The terms of the Site Lease and the Lease Purchase Agreement run simultaneously. Rentals payable under the Lease Purchase Agreement will be adequate to pay the owners of the Certificates of Participation their original investment plus interest. Upon payment of all rental payments under the Lease Purchase Agreement, the City has the right to own the Project free of any claims of the bank.

On November 12, 2013, the Certificates of Participation were paid in full. This fulfilled the contractual obligations of the Lease Purchase Agreement.

On August 15, 2013, the City issued General Obligation Bonds Series 136, of which, \$800,000 of the bond proceeds were for the purpose of funding a large portion of public building improvements to the existing Grant Field Complex in the form of additional restrooms and storage, additional ball fields including fences, dugouts, and bleachers, as well as an irrigation system to the new and existing fields and a project drainage system. The total estimated cost of the project was \$976,500. The \$800,000 portion of the bond issue is funded by 20-year bonds and is scheduled to be paid by lease payments from the Commission. In June 2013, the Commission entered into a 10-year lease ending May 31, 2023 to lease Grant Field Complex from the City. The lease will automatically renew for a second 10-year term unless either party notifies the other in writing 90 days or more before the end of the first term. The Commission shall pay the City annual rental payments enough to pay all debt services related to, or associated with, the facility and are summarized below:

Year	Total Basic Rental Payment	Principal Component	Interest Component
2025	57,400	40,000	17,400
2026	55,800	40,000	15,800
2027	59,200	45,000	14,200
2028	57,400	45,000	12,400
2029-2033	288,213	255,000	33,213
	\$ 693,463	\$ 540,000	\$ 153,463

## 11. REVENUE BONDS

The various bond ordinances require that certain restricted funds be established to ensure the payment of bonds and interest and to enable the City to meet future needs arising from unusual maintenance requirements or income shortfalls. The ordinances also require the City, among other things, to establish rates and collect charges sufficient to pay the operating maintenance and debt service costs of the utilities and to provide net operating income before depreciation and payment in lieu of taxes, of at least 125% for the electric fund and 125% for the water fund of the maximum annual debt service due on the outstanding bonds. As of December 31, 2024, the City exceeded this coverage requirement for electric and water debt. All of the City's utility plant facilities are pledged under the terms of the ordinances. The City was in compliance with all other requirements of the revenue bond ordinances at December 31, 2024.

## 12. INTERFUND TRANSFERS

### 13. OTHER RELATIONSHIPS

#### ***McPherson Area Solid Waste Utility***

The City of McPherson along with McPherson County and seven other cities located within McPherson County entered into an interlocal agreement, authorized by State Statute, to form the McPherson Area Solid Waste Utility (the Utility) effective July 17, 1991. The purpose of the Utility is to assist its Members in planning, technical and financial matters for comprehensive solid waste management and accomplish the desired objectives of an effective county-wide solid waste management program, including the operation of a cooperative solid waste management program and the operation of a cooperative solid waste processing and disposal system for the benefit of its Members.

Management of the Utility is carried out by an appointed three member Board of Directors. The City appoints one member to the Board of Directors, McPherson County appoints a second Director and the third Director is appointed collectively by the other seven Members of the Utility.

The agreement and the Utility may be terminated by written consent of at least two-thirds of the Members, provided that prior to such termination all contractual obligations and indebtedness of the Utility have been paid in full or sufficient resources have been escrowed for the payment of such obligations in full when due. Upon such termination, the Board of Directors shall liquidate the Utility and distribute the assets in a manner that, in its discretion, it deems appropriate. Accordingly, any ongoing financial interest or access to the Utility's resources is indeterminable until such action is taken by its Board of Directors. In addition, no Member shall be permitted to withdraw for twenty years or such sooner time as provision is made for the payment or discharge of the debt incurred by the County or assumed by the Utility. Any withdrawing Member shall not be entitled to distribution of any real or personal property of the Utility by reason of its withdrawal.

The Board of Directors shall determine the methods of obtaining financing for the Utility. The County provided the initial financing for the acquisition of land to be used as a site for disposal of refuse, constructing structures and acquiring equipment necessary for the sanitary disposal of refuse in McPherson County. Effective January 1, 1992, the fiscal accounting and operations of the Utility were transferred from McPherson County to management of the Utility.

Financial information of the McPherson Area Solid Waste Utility is not included in this report. Complete financial statements may be obtained from the administrative offices of the entity at 1431 17th Ave, McPherson, KS 67460.

#### ***McPherson City/County Airport***

The McPherson Airport Authority (the Authority) was established as provided for by applicable State Statutes. The property and business of the Authority is managed by its Board of Directors. The Board consists of five directors. Four directors are selected by the governing bodies of the City and County, two by the City and two by the County, and one at-large director is selected by the other four. Each entity provides ongoing financial responsibility through annual appropriations for the operation of the airport on an equal basis, as determined through the preparation of an annual operating budget. The City levies property taxes for its allocation and McPherson County funding is provided from the County's General Fund.

The Authority is authorized only to issue revenue bonds, notes or other evidence of indebtedness payable from airport revenues. Title to the airport property remains with the City and County as equal co-owners. Title to all real and personal property purchased with funds of the Authority will be acquired, held and disposed of in the name of the Authority unless otherwise required by law or by the terms of a gift or grant. The Authority may be dissolved by vote of at least two-thirds (2/3) of the respective governing body members of each owner. The Board of Directors of the Authority shall liquidate the assets of the Authority and distribute the assets of the Authority or the net proceeds thereof to the City and County in a manner to be determined by it pursuant to law. Full possession and use of the Airport shall revert to the owners as equal tenants in common upon termination of the Authority.

In 2020 the Authority was awarded a grant through the Federal Aviation Administration (FAA) in the amount of \$240,000. This grant provides for an Updated Airport Layout Planning Project - which the FAA requires every eight to 10 years. The Updated Airport Layout Planning Project was completed June 13, 2024

### 13. OTHER RELATIONSHIPS (CONT.)

Complete financial information for the McPherson City/County Airport may be obtained from the administrative offices of the entity at 1000 S. 81 Bypass, McPherson, Kansas, 67460.

### 14. CAPITAL PROJECTS

Capital project authorizations with approved change orders compared with expenditures (excluding principal and interest, legal fees, etc.) from inception are as follows:

	Project Authorization	Expenditures to Date
Erosion Control - Golf Course	\$ 3,472,000	\$ 2,947,602
North Fire Station	3,799,445	3,704,510
Lakeside Bank restoration	776,849	409,692
Deerfield Estates paving	1,563,035	1,039,947
Deerfield Estates South	577,150	578,567
Elm St. Drainage/Euclid Storm	1,796,806	917,504
 Total	 \$ 11,985,285	 \$ 9,597,822

### 15. SUBSEQUENT EVENTS

2022 TA Grant Northview Sidewalk Phase 2 (Main to Veranda Circle) - On July 29, 2022 The City of McPherson was awarded a TA Grant to construct a 10' sidewalk from Main to Veranda Circle along the North Side of Northview. Total Cost of this sidewalk is estimated at \$1,070,439. City share of the project is estimated at \$214,088 (20%). Shortly after the grant was awarded a second sidewalk was added to the scope of this project. A 5' sidewalk from Main Street to Grimes along the south side of Northview will now be constructed at a cost of \$729,500, City share of this sidewalk is estimated at \$145,900. Construction was expected to be start in 2024, however obtaining the required easement from three properties was forced into binding arbitration which delayed the start until January of 2025. Construction is expected to begin in June of 2025.

2022 CDBG - The City of McPherson was awarded \$500,000 in Community Development Block Grant (2022 CDBG) Funds through the Kansas Department of Commerce beginning in 2022. Of that \$500,000 grant - \$300,000 may be spent on Housing Rehabilitation for 12 homes and the remaining \$200,000 will be in the form of matching funds widening and improvements to Walnut Street between Avenue A and Avenue D. The Walnut Street project was completed in 2023 and expenditures were reimbursed to the City. There are matching funds that City of McPherson, Landlords, and other matching services will contribute to receive the said funds. Grant Funds will need to be requested as the project is completed. The Housing rehabilitation project was anticipated to be completed with 2-years of signing a grant agreement which occurred at the end of February 2022. To date, all grant money has been allocated and we are waiting for the work to be completed and the funds to be expended. The City was granted a time extension which extends the application time until September of 2025.

Moderate Income Housing Project (MIH) - On December 15, 2020 commission received a \$100,000 Moderate Income Housing Grant through the Kansas Housing Resource Corporation. The City is partnering with a local developer to build five moderately priced homes. The homes will be located on Genesis Drive. Base price for the homes is \$235,000. In March of 2023 City Commission was approved by Kansas Department of Commerce for a Grant Addendum which authorized 6 additional properties within the Genesis Drive area to be eligible to receive the MIH Grant Funds, with this approval, citizens who participate in the program will be eligible for up to \$32,000 cash assistance - made up of \$25,000 MIH Grant, \$5,000 ARPA Funds, and \$2,000 New Construction Homebuyer Assistance Program (NCHIP) Funding. Construction has begun on the final home which should be completed in June of 2025.

## 15. SUBSEQUENT EVENTS (CONT.)

Fire Station No 2 - On September 13, 2022 commission authorized annexation of approximately 6.76 acres on the north boundary of McPherson with the intent of constructing a new fire station. On October 11, 2022 Commission approved accepting the Design-Build of 8 proposals and authorized the Selection Committee to review submittals. On February 7, 2023 Commission approved design of Fire Station No 2 as a percentage of the total construction costs. On December 26, 2023 Commission approved the Design-Build contract with Hutton Construction for an amount not to exceed \$3,994,445. Construction began in January of 2024 and will be completed in April of 2025. Total cost of the project was \$4,417,705. The addition of Station 2 will reduce response times in the northern part of the City.

Avenue A 10' Sidewalk - On March 4, 2025 Commission approved a City/State Agreement for a 10' sidewalk that will extend from Clubhouse Drive to Centennial Drive. The project is estimated to cost \$849,914 to include Preliminary Engineering, Construction, and Construction Engineering of which the City is responsible for 20% of this cost plus 100% of any Right of Way costs, Utility adjustments, and Non-Participating costs. This project is referred to as Phase 3 and will finish completing the sidewalk from the east side of the City to Wall Park along Avenue A. Design has been delayed due to contract negotiations. Revised bid opening and construction timeline will be established at a later date.

Euclid Storm Sewer Extension - On February 21, 2023 Commission approved design of the Euclid storm sewer extension and improvement project. On April 2, 2024 Commission approved construction of the storm sewer system in the amount of \$1,796,805. Construction began in May of 2024 and is expected to be completed in May of 2025. This storm sewer project will resolve a lot of the downtown drainage issues.

Challenger Park Pickle Ball Courts - On June 13, 2023 Commission approved a shared-cost park improvement with McPherson Recreation Commission. The construction of the 12 pickle ball courts began in September of 2023 and was completed in December of 2024. The project cost approximately \$469,118. The Pickle Ball courts are currently being used by citizens while a few minor peripheral projects and seeding is being finished. Final completeion is expected in May of 2025.

Police Substation - On July 1, 2024 the City purchased an existing building located at 218 E. Kansas Ave. in the amount of \$194,973. This building will be remodeled in order staff our Police Investigations team as well as some police administration personnel. Currently the County Sheriff's office and the City's police department share a Law Enforcement Community Corrections center located on the west side of town. Bids were received for the remodel project and then approved by Commission on February 11, 2025 in the amount of \$313,947. Remodel work has begun and is expected to be completed by August of 2025.

Municipal Golf Course Irrigation Replacement Project - On November 7, 2023 Commission approved hiring of Irrigation Technologies to design the replacement of an Irrigation system at the City owned and operated Municipal golf course in the amount of \$95,000. The current irrigation system was nearly 30 years old and repairs were becoming too extensive to justify the cost of maintaining and repairing. Commission received multiple bids and formally approved a contract in the amount of \$2,880,505 for a new irrigation system. Then on December 23, 2024 Commission approved repairs to the existing pumphouse as well as improvements for bank restoration to the supply pond in the amount of \$124,000. Installation of the new irrigation system began in June of 2024 and are expected to be completed in May of 2025. Reconstruction of the pumphouse and bank restoration will be completed in the fall of 2025.

Management has evaluated the effects of the financial statement of subsequent events occurring through the date of this report which is the date at which the financial statement was available to be issued.

**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**

**Note 1 - Basis of Presentation**

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of the City of McPherson, Kansas (the City), under programs of the federal government for the year ended December 31, 2024. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the City, it is not intended to and does not present the financial position, changes in net position, or cash flows of the City. The Schedule is presented using a regulatory basis of accounting prescribed by the Kansas Municipal Audit and Accounting Guide (as described in Note 1 to the financial statement), which is the same basis of accounting as the financial statement accompanying this schedule.

**CITY OF MCPHERSON, KANSAS**

**SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**  
**For the Year Ended December 31, 2024**

**Note 2 - Summary of Significant Accounting Policies**

(1) Expenditures reported on the Schedule are reported on the regulatory basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

(2) The City has not elected to use the 10 percent *de minimis* indirect cost rate as allowed under the Uniform Guidance.

**Note 3 - Funds Expended**

Funds where Federal expenditures were received and expended:

General Fund	\$	22,789
Capital Improvement Fund		61,600
Water Fund		169,654
Various funds - ARPA		<u>1,026,158</u>
	\$	<u>1,280,201</u>

**Note 4 - Uniform Guidance Applications**

The City qualified for the alternative approach to a single audit due to exceeding the \$750,000 audit threshold due to the Coronavirus State and Local Fiscal Recovery Funds program. Therefore, a compliance examination engagement under AT-C section 315, Compliance Attestation, was conducted in accordance with the Government Accountability Office. The City has elected to present the Schedule of Expenditures of Federal Awards as supplementary information, although it is not required under the alternative approach. A single audit under 2 CFR Part 200, Subpart F was not performed on this schedule. For the results of the alternative approach compliance examination, see separate report dated May 13, 2025.
